I would be more likely to attend a Forum that is before or after another motorcycle event

A Forum held the day before or the day after an event like H.O.T Rally, R.O.T Rally, MotoGP

I would be more likely to attend a Forum that is NOT before/after another motorcycle event

A Forum **NOT** held the day before or the day after an event like H.O.T Rally, R.O.T Rally, MotoGP

It would make no difference in my decision to attend
